

# Centre for Energy Research and Policy Analysis

## Public Seminar & Workshop

### *First Solar*

In Conjunction with

*UNSW ARC PV Centre of Excellence*

&

*The Australian PV Association*

First Solar, one of the world's largest and certainly the lowest cost PV producer, will be presenting a public seminar and open workshop in conjunction with expert speakers from the University of NSW ARC PV Centre of Excellence and the Australian PV Association.

First Solar topics to be covered will include -

*Global growth in PV demand – what do the next 10 years look like ?*

*What is driving global demand ?*

*What are the constraints facing PV development ?*

*How can the industry resolve those constraints ?*

*Why is Australia well positioned to be a meaningful part of global solar growth ?*

---
